**Appetizer Competition Rules**

To promote involvement from teams and the community, an Appetizer Competition will provide additional entertainment throughout the day of the event. Above all, we ask that each competitor remember that this event is a public event and all staff members are volunteers devoted to ensuring that this event is a successful event for all.

By entering into the steak cook-off, you have the option to participate in the appetizer competition. Participation in the appetizer contest is voluntary, but you must be in the steak competition to participate. There is no additional cost to enter this competition other than your steak team entry. The outcome of the appetizer contest carries no weight in the steak competition.
